

## Dearest (---1---).

As the (---2---) day approaches, I wanted to write you this romantic letter expressing how I feel about you. I will never forget the day we met at (---3---). You took my (---4---) away, standing there smelling like (---5---), you were so (---6---), being near you made me feel like (---7---).

Do you know what I love most about you? Your (---8---).

And you give me (---9---) in my (---10---) whenever I think about you. I want to (---11---) you (---12---) until you (---13---) I can't help myself. And the way your (---14---) caresses me when you (---15---), wow.

Remember, that time we had sex on the (---16---)?

And, remember when we got kicked out of (---17---) because you had your (---18---) in my (---19---)? Before that, you'd only ever put your (---20---) inside of me. Oh, the memories we have.

Your (---21---) can only be compared to that of a/an (---22---).

Oh, (---23---), remember when we went to (---24---) and you spilled (---25---) all over your (---26---) and had to take it off in public? You made me so (---27---) that day.

And now we can never go back to (---28---) because we were (---29---) and they caught us.

Whenever I think about you, I can't help but touch my (---30---). I see forever when I look into your (---31---). And I know you feel the same, because we felt (---32---) the first time we kissed, and every single time after.

I know I'm trying to be romantic here, but later tonight, I hope you let me put my (---33---) inside of you, because writing this letter made me feel so (---34---)

I just want to make (---35---) to you all night long.

You are my one and only (---36---), and I mean that from the bottom of my (---37---). No truer words could I have wrote to you on this special Valentine's day. No perfect a letter I could have crafted. I hope you (---38---) it forever.

All my (---39---)

(---40---)
